Micro-Current Therapy:

It helps improve the health and appearance of the skin, tightens and firms aging skin, and tone the muscles on the face and neck. It also helps lift sagging eyebrows and jowls, heal scars and blemishes giving a healthy glow to the skin.

60 min. \$120

LED Skin Rejuvenation:

LED Skin Rejuvenation is the interaction of light, delivered through Light Emitting Diodes (LEDs), to activate cell receptors causing them to produce collagen or multiply.

\$80, add on \$40

Micro-Needling:

Medical micro-needling is rapidly gaining popularity as an effective treatment option for reducing wrinkles, scars, stretch marks, hyper pigmentation, and improving overall skin tone and texture.

\$200 Per Area

Microdermabrasion:

Microdermabrasion is a non-surgical exfoliating procedure. If you have fine lines, wrinkles, skin discoloration or acne scars, Microdermabrasion can create healthy looking skin for you. The process stimulates the production of new skin cells and collagen resulting in cleaner, clearer and younger-looking skin.

\$150 Per Treatment

Dermaplaning:

Dermaplaning leaves your skin brighter, smoother glowing and more youthful. The only people who can't dermaplane are those with active postular acne. You can expect to see an instant improvement in skin texture and tone. The long-term effects are increased cell turnover, fewer wrinkles and fewer dark spots.

\$120

IPL Photofacial:

IPL skin rejuvenation successfully treats uneven skin tone, freckles, brown and red spots, broken blood vessels, spider veins, birth marks, as well as discoloration and fine wrinkles caused by sun damage. It is also a valuable tool to help clear up bacteria caused by acne and helps to correct acne prone skin.

\$200 Per Area

Skin Tightening:

Comfortably achieve a more youthful, firm and toned appearance without downtime. Ideal for targeting those tell-tale signs of aging, including, sagging under the eyes and saggy brow lines.

\$200 Per Area
